ABOUT LAWREAD

Lawread is an Ed-tech platform launched in 2021. The website offers opportunities in the form of competitions, events and jobs relevant to the legal fraternity. It has constantly been working to create affordable, high-quality particulars on cases, codes, articles and interviews while catering for a cosmopolitan responsibility.

Our vision

To make our association indispensable to the law schools, bench and bar and to preserve and promote **Lawread** as a unique place to promote law in a culture of camaraderie, collegiality, competence and mutual trust.

Our Mission

To provide free legal education and legal aid to all. And to advance the professional and personal lives of our members through outstanding services, unmatched collaborative opportunities, and professional development.
