Internships

A&N Legal Solutions is offering an online internship opportunity. Apply by October 30th

Lawread

Concerning the Internship

For the months of November and December 2024, the office of Dr. Amar Patnaik (former Rajya Sabha MP), founder and managing partner of A&N Legal Solutions, is looking for highly motivated interns for research jobs that center on the crucial nexus of technology and policy.

Qualifications

- Students enrolled in the five-year law program in their third, fourth, and fifth years; or
- pupils in the second and third years of the three-year legal program.

Duties

- Investigate new fields in-depth, such as FinTech, virtual digital assets, cryptocurrency, artificial intelligence, online gaming, data privacy, and more.
- Examine the effects of these technologies and the difficulties in adhering to the new rules.
- Participate in the creation of knowledgeable opinion pieces on these important topics.

Deadline to Apply

The deadline for applications is October 30, 2024.

Mode
