**MNLU, Mumbai is accepting blog entries on corporate laws and commercial regulations.**

## **Concerning the CTRCR Forum**

The Forum will provide a forum for professionals, academics, and students to discuss relevant topics in a variety of corporate law-related fields, such as consumer protection, environmental, social, and governance (ESG) considerations, antitrust law, arbitration law, company law, insolvency and banking, intellectual property rights, mergers and acquisitions, securities law, tax law, and more. Under the direction of the Center's leadership, the editorial team, which will be made up of committed CTRCR members, will examine each contribution.

## **Concerning the Center for Research and Training in Commercial Regulations**

By bringing together academicians, professionals, legal experts, economists, regulators, judges, and students, the student-run Centre for Training and Research in Commercial Regulations at Maharashtra National Law University aims to foster an atmosphere of discussion, debate, research, and training in Corporate Law and its related fields.
