The Chennai office of CMS INDUSLAW has grown substantially.

The new office is twice as big as the old one, and it's in a great location for business. It is one of the first offices of its type in the neighborhood and spans five stories (plus a terrace). Its layout is flexible enough to enable the expansion of the team in the future and a reflection of the firm's faith in Chennai as a global and national commercial center.

A year ago, the firm's Chennai office expanded with the addition of additional partners, bolstering the firm's real estate, litigation, and corporate areas.

Avimukt Dar and Suneeth Katarki, Founding and Senior Partners at CMS INDUSLAW, in a joint statement, shared,

“This move represents an important milestone in our journey in Chennai, capital of Tamil Nadu, one of India’s most industrialised states. We are grateful to our clients for their continuous trust and relationship. With this growth, we are well-positioned to grow further, recruit great people, and deepen our capabilities to service clients across sectors and geographies.”

The new Chennai CMS INDUSLAW is located at Savithiri Nilayam, New Door No.8 (Old Door No.39), Bhagirathi Ammal Street, T. Nagar, Chennai - 600017, India.
